Full-view Screen

8-gear Filter

Auto-focus

Instant Imaging

Bluetooth Connection

Thermal Sublimation

Name	Portable Photo Printer	Print Method	Thermal Sublimation
Module	HCP-2TS24E	Resolution	300 dpi
Net Weight	410 g (without accessories)	Power Input	5 V / 2 A, Type-C
Dimensions	151 x 63 x 97mm (LxWxH)	Battery Capacity	7.4 V, 1150 mAh

## 2.8 Inch Full-view Screen

Users can adjust screen brightness by themselves according to different usage environments and habits, no matter indoor or outdoor, the image display can be clearer, view-finding more accurate, and color gentler

## 8-gear Stepless Filter Rotary Knob

Gently rotate to switch multiple filter effects and experience fun ways to play; what you see in screen view-catching is what you get, making the photographer become master of art instantly

## Flash Assistance

Equipped with LED flashlights, it supports a natural color temperature of 5000K to 6000K. This makes light and shadow clearer, allowing objects in dark environments to be displayed with the most accurate color representation

## Bluetooth Connection

Bluetooth 5.0 high-speed stable connection, supports operation and editing on HeyPhoto to print photos in mobile phone album with high resolution

## Auto-focus

The camera is equipped with 4P lens, which performs outstandingly when converging lights and supports shooting scenery of different distances. Make shooting highly efficient and create "blockbuster" with no efforts

## Instant Imaging & Printing

After taking photos, first preview, next edit and adjust color tone, then print after confirming--no piece of photo paper will be wasted

## HeyPhoto APP

Multiple filters and collage features are available for you to choose from. 15-second VR motion photos, ID photos, print as you like

## Thermal Dye Sublimation Printing

Thermal Dye Sublimation technology specially used in photo printing can create smooth color transition and bright performance, printing out delicate photos without chromatic aberration and showing its original colors

## Multiple Using Scenarios to Satisfy Your Various Needs

Recording life, outing & travelling, party, journal, wall decoration with photos, gifts...you name it!
