

## Product Launch Notice

### TM/LM-5016

2023-12-27

Dear Partners,

Posiflex is introducing the 15.6" second monitor for the Gen9 base: TM/LM-5016

TM/LM-5016 boasts a slim and sturdy design which is consistent with the fashion style of the Gen9 base. With durable housing, it supports optional MSR, RFID, fingerprint sensor and iButton attachment that gives you the flexibility to tailor your retail business according to your needs. For the 2D barcode scanner, we integrate it on the bottom side of the screen to keep the counter neat.
